# ELICOS PROGRAM

## General English (GE-I/ GE-II)

### Course Description

- The purpose of the General English (GE) program is to meet the basic functional language communication needs of the learners. It aims at developing basic English language skills, for the learners to gain social skills that are necessary to meet communication and cultural needs while travelling and participating in community contexts in Australia and other English speaking countries. The General English program is further subdivided into:
- *GE - I (Elementary-Pre-intermediate B1) – CRICOS Course Code: 096641F*
- *GE - II (Intermediate-Upper-intermediate B2) – CRICOS Course Code: 096642E*

### Course Objectives

- It can be assumed that all students entering the GE Course have the common objective of giving the first steps to learn English for which our GE1 programme is the best match. The learners will be able to start learning at an elementary level and continue through pre-intermediate level to gain subsequent skills in all four areas of language.
- During the course they will focus on the four key skills: reading, writing, speaking and listening. Along with functional skills, they gain accuracy in pronunciation by daily integrated activities. It is a great opportunity to develop the communication skills by taking part in classroom activities with other students and focus on vocabulary building.
- GE2 course further enhances the skills to a next level by taking them through intermediate up to Upper intermediate level of knowledge and skills where by the learners can start studying a vocational subject after successful completion of the course or study English further to enhance Academic language skills for higher level vocational or Tertiary courses taking international English exams or by displaying skills to access higher education.

### Entry Requirements and Exit level

- Applicants who are willing to take the complete ELICOS program, do not require previous knowledge of English language but should possess beginner level language skills to initiate classroom level language learning.
- However, for applicants who do have previous experience, they can submit the results of previous examinations or take a diagnostic test to determine the most appropriate level.

# LIVING IN AUSTRALIA

Australian culture is as broad and varied as the country's landscape. Australia is multicultural, multiracial and this is reflected in the country's food, lifestyle, cultural practices and experience.

Australia has an important heritage from its indigenous people, which plays a defining role in the cultural landscape. This diversity of influences creates a cultural environment in Australia that is lively, energised, innovative and outward looking.

DALTON College is located in the second largest and most dynamic city in Australia – "Melbourne" which often ranks in the top 5 most liveable cities in the world, attracting thousands of students and visitors every year.

Life in Australia is full of energy with beautiful scenery to take in! We believe that you will definitely enjoy your study in Australia with DALTON College.
